

To the Jewish War Veterans, Post 1268
Dear Ladies and Gentleman,

My name is Charles Stoddard,
an army medic in a unit
about to be serving near
Bagdad. I wanted to take the
time to thank you for the care
package and the time and love
that you all put into sending
these to us. I really appreciate
the hygiene stuff, and am looking
forward to the books, it's been
awhile since I read a good
Star Trek book. Thank you all
very much. God Bless you.

Charles G. Stoddard
